

FEDERAL CIVIL DEFENSE ADMINISTRATION  
WASHINGTON 25, D. C.

OFFICE OF THE ADMINISTRATOR

OCT 12 1953

Honorable Allen W. Dulles  
Director  
Central Intelligence Agency  
Washington 25, D. C.

Dear Mr. Dulles:

There has been considerable correspondence between this Administration and the Bureau of the Budget regarding the financing of civil defense activities in other agencies of the Federal Government. Rather than burden you with the entire file of correspondence on this matter, we are enclosing a copy of our initial proposal to the officials of the Bureau of the Budget, dated October 15, 1952, and a photostat of their most recent communication on the subject, dated August 18, 1953.

We would appreciate your advising us of any action you may take in this regard in preparing your 1955 budget estimates.

If any further assistance is needed from this Administration, Mr. Lloyd Eno of our Office of Civil Defense Planning will be available. He can be reached on Code 1251, extension 529.

Sincerely,

SGD VAL PETERSON
